About GroundWorks DanceTheater

GroundWorks is an acclaimed contemporary company based in Cleveland, Ohio dedicated to the creation of new work in dance. The company is in its 20th season. Artists will work closely with Artistic Director David Shimotakahara, as well as nationally and internationally recognized choreographers and composers. The work often involves live music collaboration. Current repertory includes work by Brian Brooks, Kate Weare, Adam Barruch, Rosie Herrera, Robyn Mineko Williams, Robert Moses, James Gregg, David Parker, Roni Koresh, and Dianne McIntyre among others.
