Museum of Contemporary Art Cleveland (moCa) launches a new *Artist-in-Residence* program (AIR) that focuses on supporting and highlighting the work of emerging and early-career artists in Cuyahoga county.

The AIR program is a new approach to working with artists, built through longform engagement and extended time together in the same environment. This residency is designed for local, Cuyahoga County-based emerging or early-career artists who are passionate about working with and within the Cleveland community.

Kicking off in summer 2021, AIR will offer two, five-month, in-building residencies from July-November 2021 and January-May 2022.
